

John Richmond

I have been a positive member and supporter of the lake community for 15 years and spent the past 3 years on the Board as Secretary, Assistant Treasurer, Building Permit Chair and formerly Roads and Maintenance Chair – members of the Board and lake members alike have had a chance to get to know me well.

I am proud of the work I have done as it has always been for the good of the community - through the volunteer work on the Board, the membership with my wife on the Booster Club and volunteering for numerous Association projects.
