

My name is Joe Mischik and I have been an owner since 2017 with my wife Katie; Our property has been in our family for 57 years, and I have enjoyed Indian Hills since 2006. My priority is to bring forth fair and innovative ways to fund investment in OUR community so we can enjoy Indian Hills for generations to come. I work in Finance for an insurance company and will bring my financial and strategic planning perspective and expertise if I am elected to serve as a member of the board.
