

Good Morning. -

I have been a homeowner at Indian Hills since 2004. I currently split my time between the lake and my home in Ballwin, as I have recently retired after 40 years in accounting with both large and small firms, most recently as CFO. Additionally, I've been responsible for engineering, factory operations, and IT.

I have been a member of the Long Range Planning Committee at the lake. In Ballwin, I was on the HOA board for 10 years.
